

Fold Line

The diagram shows a white rectangular area representing an envelope. A horizontal dashed grey line crosses the middle, labeled "Fold Line". A solid magenta line forms a rectangular border around the central text area. A solid blue line follows the top and right edges of the magenta border. The text "Document Final Size: 5.75w" x 6.625h" (No Bleed Allowed)" is centered below the fold line. Below that, "Envelope Cut Shape when open is Blue line" is followed by a small blue square. Then, "Keep design within Pink line" is followed by a small magenta square. At the bottom, the text "A2 ENVELOPE WITH FLAP OPENED." is centered, followed by the instruction "Delete all guidelines and this type before submitting file."

Document Final Size: 5.75w" x 6.625h" (No Bleed Allowed)

Envelope Cut Shape when open is Blue line 

Keep design within Pink line 

A2 ENVELOPE WITH FLAP OPENED.
